CP-CSR PW-4: Project Work

Max.Marks:50
External: Nil
Internal:50
credits:2

This Project work course requires participants to identify three social problems through direct field engagement and conduct stakeholder mapping for each identified issue. The exercise emphasizes practical exposure to real-world social challenges and the systematic analysis of stakeholders involved in or affected by these problems.

Objectives:

- Identify and analyse social problems and understand their nature, causes, and context.
- Interpret stakeholder roles, interests, and influence, and map them in relation to the identified social issues.

Mode and Evaluation:

- The Presentation will be conducted online, where students are required to actively engage in research and submit their assignments electronically. Each student will be assigned a specific topic related to social problems and understand their nature, causes, and context.
- Students must submit a written assignment summarizing their topic and prepare a professional Power Point presentation. Evaluation will be entirely internal, based on the accuracy, clarity, and completeness of the assignment and the effectiveness of the online presentation, emphasizing comprehension and clear communication of the subject matter.

Assessment Components:

1. Report / Written Submission: 20 Marks
2. Presentation / Seminar Delivery: 10 Marks
3. Participation and Discussion (including Q&A): 20 Marks
