PAPER VIII

RESEARCH REPORT AND PRESENTATION

MAX MARKS: 50

EXTERNAL:35

INTERNAL: 15

PASS: 40%

CREDITS: 2

Objective:

To develop the ability to present research findings effectively and enhance skills in academic writing, presentation and critical reflection.

Course Outcomes:

CO 1: Develop skills in writing a structured research report.

CO 2: Enhance ability to present research findings using presentations.

CO 3: Build confidence in defending research through viva voce.

CO 4: Reflect on the research process and learning outcomes.

Activity I: Research Report Preparation

Students will prepare a structured research report (1500–2000 words) based on the research project undertaken.

The report should include:

- Introduction & Objectives of the study
- Research Design & Research methodology
- Data analysis and interpretation; Findings and conclusion

Activity II: Seminar Presentation and Viva Voce

Students will present their research work through a seminar presentation followed by a viva voce examination.

This component will include:

- Preparation of PowerPoint presentation
- Presentation of research objectives, methodology and findings (10–15 minutes)
- Oral defence of the research work
